Dangerous Goods Transport Operator

Take the next step in your Driving Career

Coogee Chemicals is one of Western Australian's largest and most successful private companies pursuing growth through the supply of industrial, agricultural and mineral processing chemicals to the Australian and International markets. We are an innovative company with numerous products and services, including chemical manufacturing, transport and tank terminaling.

We are currently seeking a fulltime Dangerous Goods Transport Operator to join our team based in Gladstone.

We are looking for team oriented, safety conscious people, interested in consolidating their experience and potential. The successful candidate will need to possess a minimum of five (5) years experience in the following areas:* Experience in B/double and Road Train combinations* Basic maintenance and mechanical skills. They will also possess:

- * MC License
- * Current DG License
- * Clean Driving Record Experience in the following areas is not essential but would be preferred
- :* Transport and handling of Sulphuric Acid, NH₃ and Caustic.

If this role sounds like the next step forward in your career please send applications (including a brief covering letter) to hr@coogee.com.au.
