## HEAVY VEHICLE (MC) DRIVER

*Take the next step in your Driving Career*

Coogee Chemicals is one of Western Australia's largest and most successful private companies pursuing growth through the supply of industrial, agricultural and mineral processing chemicals to the Australian and International markets. We are an innovative company with numerous products and services, including chemical manufacturing, transport and tank terminaling.

Due to exponential growth and business demands, we are seeking a **Heavy Vehicle Driver** to join our Transport team in Kwinana. As the integral interface between the company and our customers you will benefit from excellent working conditions with overtime available. The role will include a balance of both metropolitan and country deliveries and the successful candidate will benefit from their own designated vehicle where available.

To be successful in this role you will have a strong work ethic and will need to meet the following selection criteria:

- Have a current Multiple combination heavy road vehicle (MC) licence
- Be customer service focused
- Have the ability to work with minimal supervision
- And have a clean driving record.

Also desirable, but not essential:

- A current Dangerous Goods (DG) licence
- Previous experience in the haulage of dangerous goods
- Training in Forklift, Blue Card and Fatigue Management
- A current MSIC card

We are looking for people who take pride in their work, are safety conscious and have the ability to add value to our team by thinking outside the square.

If this role sounds like the next step forward in your career please send applications (including a brief covering letter) to [hr@coogee.com.au](mailto:hr@coogee.com.au).
