HEAVY VEHICLE MECHANIC

Are you an experienced Heavy Vehicle Mechanic looking to work locally and in a safety oriented environment?

Coogee Chemicals is one of Western Australia's largest and most successful private companies and we are looking for an enthusiastic and experienced Heavy Vehicle Mechanic to join our team located on site in Kwinana.

The successful applicant will have several years' experience working within the transport industry, along with an understanding of the need to maintain accurate records, and the need for compliance to the Australian Dangerous Goods Code of Practice.

To be considered for this role you must possess the following:

- Trade Certificate as a Heavy Diesel Fitter/Mechanic (Qualified Mechanic to Australia Standards)
- Minimum two (2) years post apprenticeship experience within the transport industry
- Ability to work within minimal supervision and within a dynamic team environment
- Demonstrable knowledge of safety systems and safe operating procedures within an industrial setting

Individuals who also possess the following will be looked upon favourably:

- WA Heavy Rigid (MC) drivers licence
- Proven experience in welding, fabrication and auto electrics
- WA Crane and Forklift tickets
- Sound computer skills

The successful applicant will enjoy working in a safety driven, innovative environment, and the benefits on offer to employees and their families are sure to impress. If you meet that above criteria and believe that you have the ability to think outside the box then we would love to hear from you.

Please attach a brief cover letter detailing how you meet the above criteria along with your resume by **Friday the 3rd of February 2012**. Please forward all applications to hr@coogee.com.au or by post to:

Human Resources Department
